

Dear Residents of Pine Glen,

We currently have 14 homeowners who have expressed their interest in running for the Board of Directors. As per Florida statutes, residents can still join the election process during the annual meeting, potentially altering the enclosed Ballot. In the event you are unable to attend the meeting in person and are participating through Zoom, you may consider entrusting your ballot to a proxy holder. Your proxy can then present the completed ballot at the meeting on your behalf. Please note that only printed and completed ballots will be accepted, and if you are attending the meeting via Zoom, voting will not be possible.

Below is an alphabetical list of candidates, with personal information sheets provided by two of the candidates. Your active participation in this election is crucial, and we appreciate your cooperation.

Thank you for your attention to this matter.

My name is **Jason Frary**. We moved to Pine Glen 5 years ago. I have been on the Board of Directors for 3 years and occupying the role of President for the last 18 months. During my tenure, I have been working on getting Pine Glen into the 21st century. If re-elected, I will continue to try to do what is best for the community and its residents.

My name is **Kenny McClure** and I have lived in Pine Glen for over 15 years. I've previously held several positions on the board to include head of the fining committee, secretary, and president. I have been to very few meetings in the past several years due to my position as a supervisor at Tampa International Airport, but my schedule has recently changed which will allow me more time to attend, as often as possible. I also know, from previous experience that a lot of the work is done via email and I have that time as well. The few meetings I attended were not like the meetings I am used to, seeming very chaotic. I hope to help the board regain some control of the meetings and other communications and help the neighborhood prosper. I would also like to make badly needed updates to the neighborhood covenants, within the confines of the law, Pasco County or otherwise. – Kenny McClure
